

INMARTECH 2002

Planned Dates

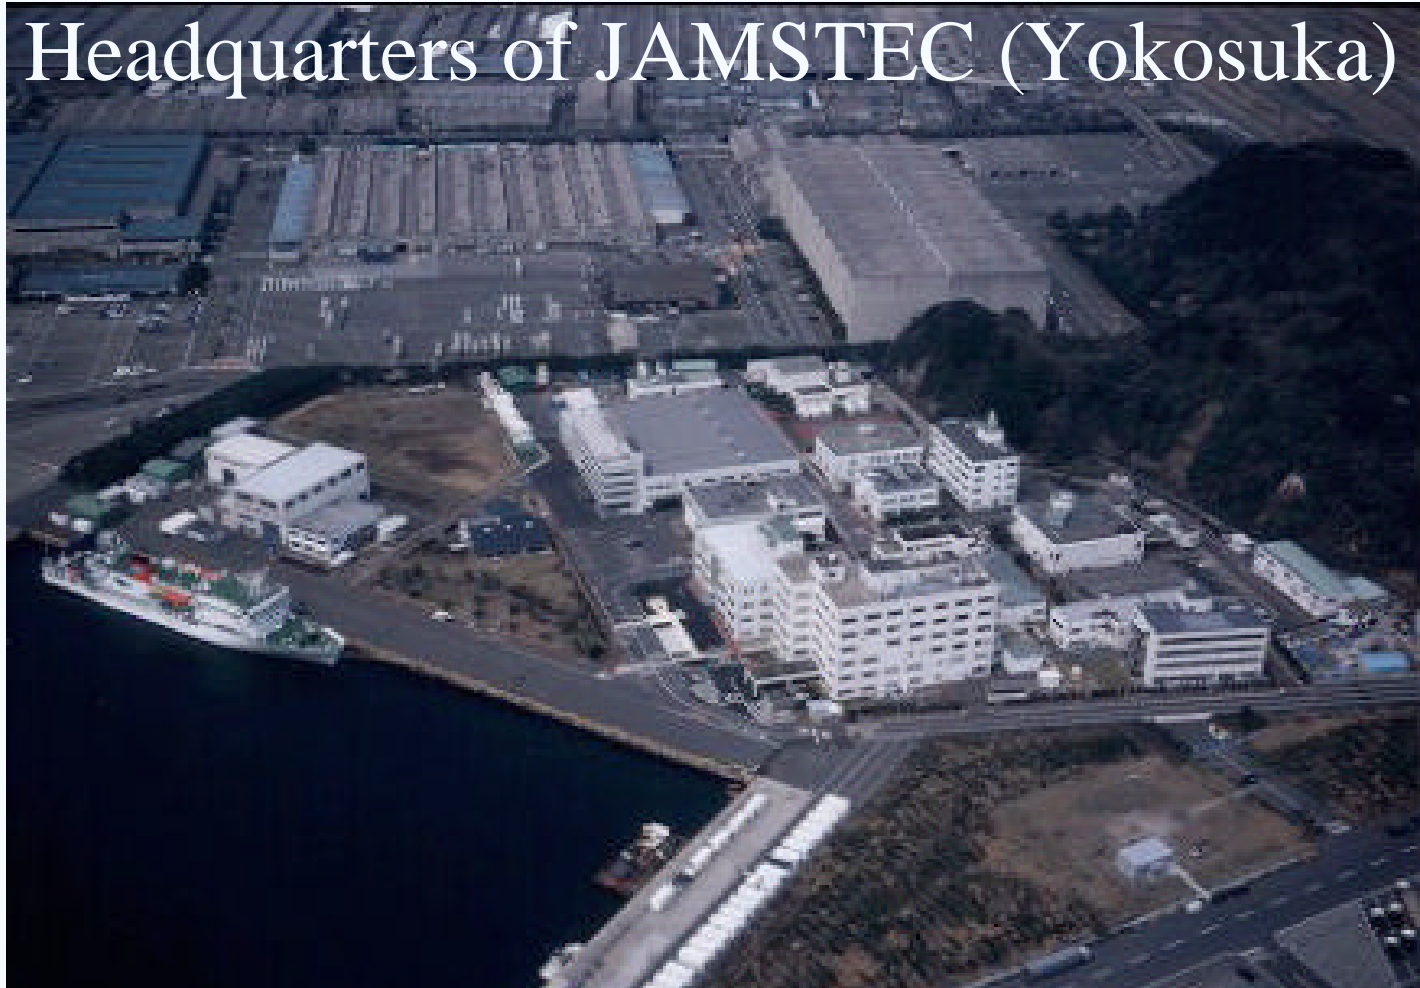

7 - 11 October 2002

INMARTECH Objectives:

- Improving quality and standardization and intercalibration of sampling methods
- generate better and safer handling of marine equipment
- contribute to increased quality and quantity of scientific research
- create and maintain a permanent international network of skilled technological support staff and key-operators of sea-going marine research.

Venue

Headquarters of JAMSTEC (Yokosuka)

Tokyo Bay

Yokohama

JAMSTEC YokohamaRI

JAMSTEC Yokosuka HQ

Yokosuka

Yokosuka

Organization

- Local Organizing Committee
(JAMSTEC, NME, Marine Works Ltd,
GODI)
- Secretariat (JAMSTEC)
- International Steering Committee ISC
(Japan/Europe/USA)

Preliminary Schedule

| Date | AM | PM(1) | PM(2) | Evening |
|---|---|----------------|-----------------|--|
| 10/7 Mon | | | Registration | Icebreaker  |
| 10/8 Tue | Keynote Address  | Oral Session | Oral Session | Poster Session  |
| 10/9 Wed | Oral Session | Oral Session | Oral Session | Poster Session  |
| 10/10 Thu  | Oral Session | Oral Session | Wrap Up Session | Wrap Up Session |
| 10/11 Fri | Technical Tour | Technical Tour | Technical Tour | |

Main Theme

- Data Acquisition
- Hardware & Operation
- Data Management

Session Category 1

(Data Acquisition)

- CTD Technology
- ADCP Technology
- Meteorological Observation Technology
- Chemical Analysis of Sea Water
- Biological Sampling
- Seismic & Geophysical Observations
- Observation in High Latitudes
- Others

Session Category 2

(Hardware & Operation)

- Manned & Unmanned Vehicle Technology
- Seafloor Monitoring Technology (including Lander Technology)
- Mooring Technology
- Seismic & Geophysics Technology
- Ship Operation Technology
- Handling Heavy & Large Equipment
- Cable & Winch Technology
- Others

Session Category 3

(Data Management)

- Database Management
- Data Quality Control
- Data Publication
- Others

Schedule of Action

(Draft)

- November 2001 Distribution of 1st circular
- February 2002 Meeting of International Steering Committee
- March 2002 Deadline for the reply to the 1st circular
- March 2002 Distribution of 2nd circular
- July 2002 Deadline for pre-registration
- September 2002 Distribution of final circular with the program
