Space for new members!

Taking nominations- Self Nominated is Encouraged

Email us at- techtraining@unols.org

Current Training Efforts

What Went Wrong Wednesday (WWWW) Moderated Discussion

Moderated discussions where the tech community can chat about:

- NSF funded facilities, shipboard systems, etc.
- Initial anonymous survey to get questions, 1-hour presentation with subject matter expert and then a round of Q&A's

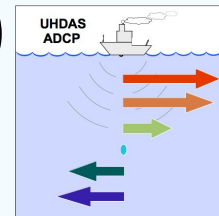

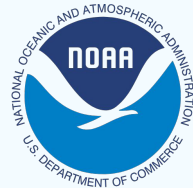

The WWWW meetings have recently been recorded and we provide notes/slides to the RVTEC listserv after the meeting.

Current Training Efforts

What Went Wrong Wednesdays (WWWW) Topics from 2024

- pCO₂ Systems (Denis Pierrot, NOAA)
 - Video and Notes have been posted
- UHDAS and ADCPs (Jules Hummon, UH)
 - Video coming soon

- Suggestions for future topics/experts welcome
